## **1. Introduction**

- 1.1 The College has installed image only (no audio) CCTV surveillance systems on all College owned premises. The College will have due regard to the Data Protection Act, incorporating the General Data Protection Regulation (GDPR), the Freedom of Information Act, the Protection of Freedoms Act and the Human Rights Act.
- 1.2 Each Campus system comprises of a number of fixed cameras located around each campus site. All CCTV monitors are located in a secure control room and are only accessible to designated staff within that campus.
- 1.3 The CCTV systems in Erne, Skills Centre, Cookstown, Gortin Road and Kilcronagh campuses are owned and controlled by the College. These cameras are operated by the Estates department. The College is the Data Controller for all CCTV images.
- 1.4 The CCTV systems in the Omagh and Dungannon campuses are owned by Belfast Educational Services (BES) and operated by Mitie FM as “Appointed Agents” of the College. Where Mitie operate CCTV they do so on behalf of the College as Data Processors.

## **2. Policy Purpose**

- 2.1 The purpose of this Policy is to regulate the management, operation and use of the closed circuit television (CCTV) system at South West College. The policy details the procedures to be followed in order to ensure that the College complies with relevant legislation and the current Information Commissioner’s Office Code of Practice.

## **3. Policy Aim**

- 3.1 The aim of the policy is to ensure that the use of CCTV surveillance is proportionate, in compliance with GDPR, and will achieve its stated purpose.

## **4. Policy Scope**

- 4.1 The Policy applies to all CCTV surveillance systems at all premises and to all staff.

## **5. Compliance with the Data Protection Act 2018**

### **5.1 Registration and Ownership**

Under current data protection legislation the College is the 'Data Controller' for the images produced by the CCTV systems in its ownership. The College is registered with the Information Commissioner's Office and the registration number is Z1124639. Mitie Facilities Management are Data Processors.

### **5.2 Stated Purpose**

- 5.2.1 The purposes of the CCTV systems are as follows:

- Deterring, prevention and detection of a crime including misuse or abuse of College equipment, reduce the fear of crime and increase personal safety.
- Identification, apprehension and prosecution of offenders.
- Security and protection of campus buildings and grounds and College assets internally and externally and identify incidents that require a response.
- Safeguarding and health and safety.
- In exceptional circumstances the images may be viewed for investigatory purposes.

- 5.2.2 The purpose of the CCTV systems will be reviewed in line with the review cycle of this policy i.e. biennially.

### **5.3 Privacy**

- 5.3.1 The College will regulate its use of CCTV within the provisions of UK GDPR so as not to become intrusive. The College will conduct and keep under review a Data Privacy Impact Assessment (DPIA) on the use of CCTV surveillance.

- 5.3.2 Cameras will be used to monitor activities within the college buildings, including exterior areas, its car parks and other public areas to identify criminal activity actually occurring, anticipated, or perceived, and for the purpose of securing the

safety and wellbeing of the college, together with its staff, students and visitors.

5.3.3 Materials or knowledge secured as a result of CCTV will not be used for any commercial purpose. Data, photographic or digital material will only be released to the media for use in the investigation of a specific crime and with the written authority of the police and will never be released to the media for purposes of entertainment.

5.3.4 In the rare event that a situation arises where the use of covert cameras is an option to investigate suspected illegal activity, the Head of Estates will engage with the College's Data Protection Officer to conduct a DPIA on the proposal. A recommendation to proceed with covert surveillance will be authorised by the Chief Executive.

5.3.5 Wherever practicable cameras will be sited so as to avoid focusing on private residential property.

#### 5.4 Signage

5.4.1 Signs will be placed at pedestrian and vehicular entrances, and prominent internal spaces in order to inform staff, students, visitors and members of the public that CCTV is in operation. The signage indicates that the system is managed by South West College or by Mitie where relevant and a contact number is provided.

5.4.2 The Estates Manager or (Mitie representative) is the designated person responsible for ensuring that adequate signage is erected.

#### 5.5 Responsibility

5.5.1 The person with overall responsibility for the management of the CCTV surveillance systems in College ownership is the Head of Estates. The overall responsibility for the management of the CCTV surveillance systems operated by Mitie is the Operations Manager (Mitie).

#### 5.6 Complaints

5.6.1 Complaints about the CCTV surveillance system can be made through the College's Customer Complaints and Compliments Policy which is available on the

College's website and staff and student intranets.

## 5.7 Monitoring

5.7.1 CCTV monitoring equipment will be located in secure and restricted areas on all sites. Access to these areas will be limited to:

- Senior Caretakers
- Campus Managers
- Technical Services Staff
- Data Protection Officer
- Police Officers
- Estates Officers
- Mitie Facilities Manager

5.7.2 Unless an immediate response is required, CCTV systems are NOT manned or actively monitored on a regular basis and are NOT located where they can be viewed by any member of staff in that location. Recordings are only viewed as a result of an event or incident or a formal request in line with the College's Procedure for requesting Access to CCTV Images.

## 6. Recordings, storage and access

6.1 In its administration of its CCTV system, the College complies with the Data Protection Act. Due regard is given to the data protection principles embodied in the Data Protection Act. These principles require that personal data shall be:

- a) Processed lawfully, fairly and in a transparent manner;
- b) Collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes;
- c) Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed;
- d) Accurate and where necessary, kept up to date;
- e) Kept in a form which permits identification of the data subjects for no longer than is necessary for the purposes for which the personal data are processed;
- f) And processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and

against accidental loss, destruction or damage, using appropriate technical or organisational measures.

## **7. Applications for disclosure of CCTV images / footage**

### **7.1 Applications by individual data subjects for own data**

7.1.1 Reviewing or releasing CCTV footage will only be permitted in limited circumstances. Requests by individual data subjects for images relating to themselves (Subject Access Request) should be submitted using the form in Appendix 1 to the relevant Campus Manager or Estates Officer who will consult the Data Protection Officer.

7.1.2 In order to locate the images on the College's CCTV system, sufficient detail must be provided by the data subject in order to allow the relevant images (if any) to be located and the data subject to be identified.

7.1.3 Where the College is unable to comply with a Subject Access Request without disclosing the personal data of another individual who is identified or identifiable from that information, it is not obliged to comply with the request unless satisfied that the other individual(s) have provided their express consent to the disclosure, or if it is reasonable, having regard to the circumstances, to comply without the consent of the individual.

### **7.2 Access to and disclosure of images to third parties**

7.2.1 A request for images made by a third party should be submitted using the form in Appendix 1 to the Campus Manager or Estates Officer who will consult the Data Protection Officer.

7.2.2 In limited circumstances it may be appropriate to disclose images to a third party, such as when a disclosure is required by law, in relation to the prevention or detection of crime or in other circumstances where an exemption applies under relevant legislation.

- 7.2.3 Such disclosures will be made at the discretion of the Campus Manager or Data Protection Officer.
- 7.2.4 If a request is received to view CCTV footage by PSNI, a Form 81 will be requested. However, if a Form 81 is not available, the PSNI officer will be requested to complete the form in Appendix 1.
- 7.2.5 Where a suspicion of misconduct arises and at the formal request of the Campus Manager, the Estates Officer or the Appointed Agents may provide access to CCTV images for use in staff or student disciplinary cases.

## 8. **Retention of images**

- 8.1 Unless required for evidential purposes, the investigation of an offence/disciplinary matter or as required by law, CCTV images will be retained for no longer than necessary.
- 8.2 Where an image is required to be held e.g. to allow an investigation to be carried out, the recording will be downloaded onto a CD or USB drive and retained securely by the Estates Officer for the duration of the investigation. Once the investigation is complete and any associated procedure is exhausted, the CD or USB drive will be securely overwritten or erased by the Estates Officer.
- 8.3 Images may be held for a longer period where there has been an accident or incident which may have legal repercussions for the College and may be required for evidential purposes. In these circumstances, the footage will be retained by the Health & Safety Officer or the Risk & Compliance Officer and retained until the completion of any legal proceedings in line with the FE Sector Retention and Disposal Schedule. After this period, the footage will be destroyed.<sup>1</sup>

---

<sup>1</sup> CCTV footage is normally retained for 30 days ie the capacity of the system to store images. Downloaded images required for an investigation or claim will be held until the completion of the investigation or claim in line with the FE Sector Retention and Disposal Schedule.

## 9. Monitoring and Review

- 9.1 All staff involved in the operation of the College's CCTV System will be made aware of this policy and will only be authorised to use the CCTV System in a way that is consistent with the purposes and procedures contained therein.
- 9.2 All staff with responsibility for accessing, recording, disclosing or otherwise processing CCTV images will be required to undertake data protection training.
- 9.3 Performance monitoring, including random operating checks may be carried out by the Estates Officer, Campus Manager or Data Protection Officer, or their Nominee.
- 9.4 This Policy will be reviewed on a biennial basis or sooner in the light of legislative changes.
