**& APPRENTICESHIP COURSES**

At South West College, we're dedicated to providing our students with an education that prepares them for successful careers. Our curriculum is designed in collaboration with universities and industry to ensure that our students develop the skills and experience that are in high demand in today's job market.

We offer a range of practical experiences such as work placements, project-based learning, and internships to give our students a competitive edge in the workforce. Our support services are second to none and include career advice, learning support, and access to state-of-the-art learning resources.

We're committed to ensuring that every student receives the support they need to overcome any challenges and achieve their full potential. At South West College, we believe that every student deserves the opportunity to succeed, and we work tirelessly to ensure that our students have the tools and resources to realise their dreams.

#### WHICH COURSE IS FOR YOU?

ENTRY LEVEL	If you want to gain a qualification that is recognised across the UK, but don't feel ready for GCSEs or equivalent qualifications, or you haven't studied in a long time, an Entry Level qualification could be for you.
LEVEL ONE	No formal qualifications are required for Level One courses. Examples of Level One programmes are Skills for Life and Work and some NVQs.
LEVEL TWO	Level Two qualifications are the equivalent of GCSEs. BTECs, Diplomas, Awards, Certificates, NVQs, Traineeships and Apprenticeships are available in Level Two.
LEVEL THREE	Level Three qualifications are equivalent to A-Levels. BTEC, Diplomas, Apprenticeships and the Access Diploma are examples of Level Three courses.
LEVEL FOUR	A Level Four qualification is equivalent to the first year of a degree. This is considered 'Higher Education' as it is aimed at those aged 18+. Examples of Level Four courses are HNCs
LEVEL FIVE	Level Five qualifications are the equivalent of the second year of a Bachelors Degree. HNDs, Foundation Degrees and most HLAs are Level 5 qualifications.
LEVEL SIX	A Level Six Qualification is the equivalent of a full Bachelors Degree. In recent years there has been a surge in popularity for those who want to gain their Degree or HLA on their doorstep.
